LET'S LEARN ABOUT TURTLES!

Date: _____

Name: _____

WHAT KIND OF ANIMALS ARE SEA TURTLES?

The sea turtles we often see in Hawaii are:

→ (Blue / Green / Red) Sea Turtles!

Their favorite food is:

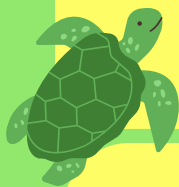

→ (Seaweed  / Shrimp  / Jellyfish )

Why do they poke their faces out of the ocean?

→ (To look for food / To breathe)

They are great at holding their breath and diving!
How long can they stay underwater?

→ (10 minutes / 30 minutes / Over 1 hour!)

MISSION: PROTECT THE SEA TURTLES!

What should you do if you meet a sea turtle?

Put a **O** for good things and a **X** for bad things!

- () Go close to them, touch them, or swim together.
- () Keep a safe distance and watch them quietly so they don't get scared.
- () Give them snacks or human treats.

DISCOVERY NOTES

Write down anything that surprised you or that you noticed about dolphins and sea animals! You can draw pictures too!

Did you know?
In Hawaiian
sea turtles are
called "Honu"!

Fun Facts

Whether a sea turtle egg becomes a boy or a girl depends on how warm or cool the sand is while it grows!

Circle your guess!
